

An independent analysis concluded local elections offices need \$2 billion¹ to run secure elections.

So why is Congress considering slashing funding to state election departments by 75%²?

Fair elections need a fair investment.

Tell Congress to support secure, safe and inclusive elections, and **invest \$2 billion in federal funding for elections offices across our state** who need:

- ★ **Cybersecurity and office security**
- ★ **Well-trained poll workers**
- ★ **Upgraded voting equipment**
- ★ **Post-election audits**

**ELECTION
